## Mobile Food Unit Plan Review Application

### Instructions:

- 1) Complete the form on the bottom of page 1 and look at the samples on page 5 to get the idea and you may use blank drawings on pages 6, 7, and 8 in this package to show the fixtures and equipment in your own unit, (separate engineering blue prints are also acceptable). Show the potable and waste water tanks locations, capacities, and related plumbing. Then, submit page 1 and your drawings to one of the addresses printed below.
- 2) Once you received an approval of your plan, you can start the construction of the unit. If you already have a unit that is constructed, you may either make an appointment for inspection or submit drawings of your existing unit for approval before making an appointment for inspection. If your unit needs any corrections or alterations, we will let you know before you come for inspection.
- 3) When you pass the inspection, complete the **Commissary Agreement** on page 4, complete application for **Permit to Operate**, and together with your food and beverage **Menu** submit them to one of the addresses printed below. You can also submit all these documents before coming for inspection.
- 4) Obtain a **Food Handler's Card** from Gila County Health Department as soon as you can before starting your food business. If you have a **Food Handler's Card** from other Counties and it is not expired, it is acceptable. However, you must become a **Certified Food Service Manager** within 6 months from the date you start to work as a **Mobile Food Unit** operator. For more information call the local health department:
